## **Newsletter 2 Spring Term 2012**

### **Senior House**

I would like to wish all the members of the school community a happy New Year. I know that for some of the boys in the Senior House the start of the year is somewhat coloured by the prospect of entrance exams, but by now I hope that most of the preparation has been done and these can be approached with confidence.

The fabric of the building has received some unglamorous but necessary attention, with a refurbishment of the boys' toilet facilities. There has also been some further development of the new classrooms that were built during the summer.

This term we have produced a school Calendar to replace the List of Important Dates and the Fixture List that we normally send out. Enclosed is a **revised** Calendar (please destroy the previous, yellow shaded one) which contains details of all school events; including sports fixtures (and pickup times), Masses and Charity events.

Also enclosed are the After School Hobbies Programme and the Fixture List Venues 2011/2012.

Finally, I would like to take this opportunity to extend a warm welcome to Simon, who joins us as Deputy Head.
