

ST. ANTHONY'S SCHOOL
BURSARY FUND

BURSARY & SCHOLARSHIP APPEAL

BURSARY & SCHOLARSHIP FUNDS

At St. Anthony's, we are determined to help boys from all backgrounds to enjoy an outstanding education. With this in mind, we have established the St. Anthony's School Bursary Fund which will provide a St. Anthony's education to talented boys from less privileged backgrounds.

This fund also operates as an essential support mechanism for the children of current St. Anthony's parents. Support from our community, to raise funds for pupils whose parents fall into financial or other difficulty, allows us to continue to provide much needed assistance to such pupils.

“We are looking for those whose presence in the school will have a positive impact on the experience of others.”

THE APPEAL

Our ambitious appeal target is to raise £250,000 over the coming years.

All monies raised are administered by our partner charity The Gold Standard Charitable Trust. Charity No. 1130999.

This year, we are re-launching the Bursary & Scholarship Appeal with an initial plan to raise funds to support at least one additional pupil on a full bursary each year, while making efforts to establish a significant endowment fund.

We will continue to raise funds to provide valuable support for those boys of current parents who fall into unexpected difficulty.

As we look to the future, we feel we must continue to extend our reach beyond those families who can afford the full fee and we are committed to playing our part in supporting social mobility by offering a St. Anthony's education to those who would greatly benefit from the experience but might never have been able to consider it.

“We want to identify untapped talent irrespective of parental means, to nurture potential and to develop character and attitude.”

CHANGING LIVES

Over the past few years, we have been able to support a number of pupils, enabling them to join the community of the school or remain here when unforeseen difficulties made that financially challenging.

We are seeking to build an enhanced endowment fund in the coming years, so that such a tradition is sustained. Such a fund will enable us to look for those children who will flourish and develop individually but we are also looking for those whose presence in the school will have a positive impact on the experience of others.

We want to identify untapped talent irrespective of parental means, to nurture potential and to develop character and attitude. In the process, we want to change lives for the better.

“We aim for our door to be as wide open as possible.”

ST. ANTHONY'S PATRONS

There is no doubt that endowing a scholarship scheme is tremendously rewarding. If you would like to help us provide an education for a talented boy to come to St. Anthony's, please contact us using the details opposite.

We would be happy to discuss any requirements for gifts, such as giving syndicates, an award for a particular area of school life, and named scholarships.

“Every little helps and every donor makes a big difference to a boy’s life.”

ST. ANTHONY’S REGULAR GIVING SOCIETY

Regular gifts are incredibly important as they enable us to plan for the future of the programme. By setting up a regular gift of any amount from £5 to £500, you will automatically join the St. Anthony’s School Regular Giving Society.

Regular gifts are an affordable way for all St. Anthony’s parents and alumni to be involved in the Scholarship and Bursary appeal.

To join, simply choose your monthly gift on the enclosed donation form and complete the banker’s order.

The table below shows how relatively modest monthly payments can generate substantial gifts:

CHOOSE YOUR MONTHLY GIFT	OVER 1 YEAR THIS GIFT WILL COME TO	OVER 5 YEARS THIS GIFT WILL COME TO	YOUR TOTAL GIFT OVER 5 YEARS WITH GIFT AID
£5	£60	£300	£375
£50	£600	£3,000	£3,750

“The Trust is determined to help children from all backgrounds to enjoy an outstanding education.”

THE CHARITY

Gifts are received via our partner charity
The Gold Standard Charitable Trust.

The Trust is a registered charity (No. 1130999) and works to raise funds for pupils of St. Anthony's School. Donations to the St. Anthony's School Bursary Fund are used to benefit the recipients of scholarships and bursaries and to provide hardship grants in St Anthony's School. The Trustees reserve discretion to reallocate donations in some circumstances, unless the donor chooses to restrict the gift which can be done by indicating this on the donation form. Unrestricted gifts are also welcome and will be used to finance bursaries and scholarships where the need is greatest in other schools.

Since the launch of the Trust in 2013, the fund has received donations from supporters, including alumni and parents from St. Anthony's as well as a wide miscellany of other friends of the school. Gifts of any size make a real difference and are received with genuine gratitude.

MAKING A DONATION

There are a number of ways in which supporters can give which attract substantial tax advantages to the charity and to higher rate tax payers, who can reduce the net cost of their gifts.

If you would like to discuss tax effective giving, gifts of shares and securities, giving via CAF, gifts from overseas, legacies, company matching schemes or any other area of giving then please don't hesitate to contact us using the details opposite.

We are delighted to celebrate all our support and thank donors for their generous gifts.

However, we recognise that some donors prefer anonymity and we ask that you make this clear on the Donation Form at the back of the booklet.

TAX EFFICIENT GIVING

If you are a UK tax payer, giving with Gift Aid enables us to increase the value of your gift by up to 25% at no additional cost to you.

Donors paying higher rate tax can claim the difference between the higher rate and the basic rate of tax on the total gross value of the donation. An illustration of the net cost at various levels of giving is below.
